

INFORMATION LETTER

On March 31, 2023, JSC «International Information Technology University» holds the IV International Student Scientific and Practical Conference "**Youth Digital Forum YDF-2023**".

The goal of the conference: development of research potential in the younger generation. Within the framework of the conference, it is planned to discuss achievements, innovations and practical issues of the application of modern information and communication technologies in various fields.

Conference sections:

Section I «Software Development and Knowledge Engineering»

Section II «Cybersecurity»

Section III «Infocommunication Networks»

Section IV «Intelligent Systems»

Section V «Mathematical and Computer Modeling»

Section VI «Digital Technologies in Economics and Management»

Section VII «Digital Technologies in Mass Media»

Section VIII «The World of Language: Theory, Practice, Innovations»

The conference is open to **students, and post-graduate students** from all universities. The format of the conference is hybrid. **Conference working languages:** Kazakh, Russian, English. **Form of participation:** oral report at the conference with a presentation.

Conference participants will be given certificates. The best reports will be awarded diplomas.

To participate in the conference, you should send the following to the conference organizing committee (conference@iitu.edu.kz) by **March 15, 2023**:

- application for participation in the conference;
- article for publication (from 3 to 5 pages);
- recommendation of the scientific advisor, signed and certified by the seal of the organization (attached as a separate file).

The form and sample documents can be downloaded from the conference website: <https://ydf.iitu.edu.kz/>

Within 3 working days after receiving the materials, the author is sent an email notification of the receipt of the materials, and within 10 working days – a notification of the results of their review.

Registration fee for participation in the conference: for students of the International Information Technology University – free of charge; for students of other universities – 4000 tenge. Payment is made after receiving confirmation of acceptance of the article from the organizing committee.

Requisites for payment of the registration fee:

АО «Международный университет информационных технологий»

БИН: 090440001325

АО «Народный Банк Казахстана»

ИКК KZ926010131000124681

БИК HSBKKZKX

Кбе 17

КНП 859

Marked: "Registration fee for participation in the student conference YDF-2023" (indicate the IIN, full name of the participant).

ATTENTION!

If you have not received confirmation of the receipt of electronic materials and the results of their review within the above-mentioned time frame, PLEASE contact the conference organizers by e-mail! Otherwise, claims for the inclusion of materials in the Conference Proceedings will not be accepted.

The conference organizing Committee reserves the right to reject the articles submitted outside the main areas of the conference or which do not meet the formatting requirements.

Materials submitted after the deadline or not executed in accordance with the requirements will not be considered and will not be returned.

The conference materials will be published after the conference in the special issue of the «**International Journal of Information and Communication Technologies**» of the «International Information Technology University» JSC (ISSN: 2708-2032 (print), ISSN: 2708-2040 (online)). The electronic version of the issue will be available on the Journal's website (<https://journal.iitu.edu.kz>) and the conference website.

For more information, please visit the website <https://ydf.iitu.edu.kz/>

All inquiries concerning the conference should be directed to Yesmurzayeva Aknur, specialist of the Department for Research Activities at International Information Technology University.
